

We have openings for Wireless Installation Technicians in Kingston, Picton, Belleville and Desoronto

At Kingston Online Services we have assembled a diversified team of professionals with expertise, experience and a special ability to make a difference with our customers. We are currently seeking experienced technicians, one in Kingston and one in Picton. If you are, have your own work boots, a clean driver's abstract and outstanding customer service skills this position may be for you!

Qualified candidates will offer the following:

- A minimum of 2 years' experience in satellite, Internet and/or cable installation
- Outstanding customer service skills
- A full G license and a clean driver's abstract
- Ladder Safety & Working at Heights certificate preferred
- Good manual dexterity and skilled with hand tools
- Must work well in a team environment, with excellent problem solving skills
- Able and to work in all weather conditions

This is a full-time position with an immediate start date. Hours of work are Monday to Friday with occasional on call weekend work.

Please submit your resume and cover letter in confidence to **resumes@hr-ondemand.ca**

Thank you for your interest in the position, however only those selected for further consideration will be contacted.

We are committed to maintaining inclusive, barrier-free recruitment and selection processes and work environments. If you are contacted in relation to this or any other job opportunity or testing, please advise our representative in a timely manner of the accommodation measures which are required in order to enable you to be assessed in a fair and equitable manner. All information received relating to accommodation measures will remain confidential. Please note that we will not automatically consult accommodation requests from prior selection processes. Selected candidates should therefore advise us of their accommodation needs for each and every position they are contacted about or offered.
